I am going to try...pretty busy with Gold King, but may be able to break from Gold King for a half hour especially if there isn't anyone else from R8....

Are either or both of you planning to be on the 8:30 am call with HQ to discuss tire crumbs? I wasn't sure if you may be involved in the Gold King response.

I think Melanie is out, so just trying to confirm R8 coverage for the call. I can participate on the call if no one else is available, however, I don't know the latest on this topic.

Thanks,

Nancy
